

Communities in Bloom

Communities in Bloom is a Canadian non-profit organization committed to fostering civic pride, environmental responsibility and beautification through community involvement and the challenge of a national program, with focus on enhancing green spaces in communities.

“People, plants and pride...growing together” is the national slogan, and it captures the essence of the program.

The pride, sense of community and feeling of accomplishment generated through participation are visible in communities all over Canada. In 2014 that feeling was very evident in our village when Pugwash competed nationally. We won five blooms (out of 5) and were the National Winner in the category of communities with a population less than 1,000.

Our local volunteer CIB group works collaboratively with the Village of Pugwash, local organizations, businesses and individuals to help create a community that “blooms” in the areas of tidiness, heritage conservation, environmental action, floral displays, landscape and urban forestry.

We are always looking for new people to join the group or help with events and projects. If you are interested, please contact us.

Canada Day Parade, July 1st 2014

Below are two of many CIB projects that have greatly enhanced the beauty of Pugwash!

The Peace Garden at the old train station.

The playground at Eaton Park now has flower and shrub plantings, seating and a steps with a railing for easy access.
