

The Route 6 Snowmobile Club

The Route 6 Snowmobile Club grooms and maintains over 170km of trails between Oxford, Pugwash, Port Howe, Wentworth, Wallace and Tatamagouche.

Our trails are some of the best groomed, marked, and signed in Nova Scotia. The trail system runs from Oxford to Tatamagouche, with groomed access to Pugwash, Wallace, the Cobequid Mountains and Angevine Lake. Route Six trails interconnect with four other trail networks. On the main trail between Oxford and Tatamagouche lies the historic 440 foot Wallace Swing Bridge. This bridge was designed to swing out of the way to allow masted schooners to continue up the river.

Our trails are groomed, signed, and marked into: 11 Restaurants, 9 Gas Stations, 4 Convenience Stores, 3 Motels, 1 B&B, 2 Snowmobile Repair Shops, and 1 Snowmobile Accessory Shop.
