

Touchstone Counselling Group

Established in 1990, Touchstone Counselling Group is a non-profit counselling agency providing professional individual counselling services. Touchstone counsellors are trained in a variety of current theories and interventions as treatment is provided to clients. Along with this, counsellors are trained to integrate a Christian worldview into clients' treatment for those clients who desire this option. Counselling is offered in person and virtually, according to Covid-19 regulations.

Erin Burke

Area of focus: Grief Work, Anxiety, Conflict Resolution, Self-Esteem, and more.
 MA in Counselling Psychology, Registered Counselling Therapist-Candidate (NSCCT), Associated Professional Counsellor (PACCP)
